

# CUMBERLAND MOTOR CLUB

## 2026 POINTS SCHEDULE

Every member in good standing of CMC acquires points in four categories each calendar year as follows:

- (a) Attending regular monthly meetings
- (b) Participating in social events
- (c) Competing or working on autocross events
- (d) Competing or working on rallies

At the end of the fiscal year, members in high standings receive awards of recognition at the annual banquet. Most of these awards are based on the number of points earned during the previous calendar year. ***Overall club champion is determined based on the total points accumulated from all categories.***

Once published on the club website, event results are subject to review for 30 days. Errors identified and brought to the attention of the appropriate program coordinator within that time may be corrected at the coordinator's discretion. After the 30-day review period expires, the results become final. Finalized results may only be changed to correct season-wide calculation errors (e.g., wrong PAX factor) with the approval of the Board.

Note that at both Rally and Autocross events, competitors who do not start an event (DNS) receive no points for that event. Competitors who start a rally but do not finish (DNF) receive entrant points.

See Cumberland Motor Club handbook for more information.

## MEETING POINTS

Members receive 3 points for attending a regular monthly meeting. No points are issued for Board or special meetings.

## SOCIAL EVENT POINTS

Members receive points for organizing or attending social events. Autocross schools and kart schools are considered social events.
